## **BENX SPORTS Global Basketball Summer PROGRAM** **1<sup>st</sup> Session, JUNE 19 - JUNE 29 2023** **2<sup>nd</sup> Session, JULY 9 - JULY 19 2023**

### **What is GBSP?**

Global Basketball Summer Program is divided into two sessions designed for foreign players. We create this program for players that wish to test the waters of grassroots basketball in the USA. Players come and spend a session (10-Day) with BenX Sports, Training with Elite Skills and Performance Development Trainers, - Positional Skill Work, Body Performance, and Shooting.

The objective of the training sessions is to create real quantifiable improvement that has a consistent numerical reflection on the player's game. Each player's performance is to be tested at multiple games in competitive BenX Sports tournaments, against our respected high-level basketball organizations.

### **Who is BenX Sports?**

*Powered by* BenX Sports are scientifically designed training systems with hard numbers and percentages that allow players to visualize their progression. In addition, we use the most recent supporting computer and video tools to help players see, acknowledge and correct mechanical errors and inefficient movements that help create the most accurate efficient performance.

In the world of sports for over 30 years, we developed and implemented a global sports training curriculum, the copyrighted - The 4 Principles of Sports Training and The 4 Foundation to Athletic Workouts. All of these have been implemented though out the world with Master sports trainer Ben Simmons sport Institute international outlets.
